General Information

Placing Orders

To submit orders or for product inquiries please e-mail: sales@nuansdesign.com

The following information is required when placing an order: Product Name/Description, Quantity, Fabric, End User Information, a Purchase Order Number, and an authorized signature as well as any product specific options (as outlined in the Price List).

Pricing

Prices shown are U.S. Domestic prices and apply to orders shipped within the United States. Prices do not include shipping and are subject to change. All pricing errors are subject to correction.

Terms

Prepayment is required for everyone. No exceptions.

Order Acknowledgement

Nuans office emails acknowledgement of each order within 24 business hours. If you do not receive acknowledgement in 48 hrs, please contact sales@nuansdesign.com or call the office at 201-345-5550.

Order acknowledgements will be made for each order and will indicate stock status or final production specifications. Buyers should check acknowledgements to be sure that all order details are correct. Orders will not be acknowledged or entered for production until all specification information is complete {see checklist for ordering}. Accepted orders are subject to the terms and conditions set forth herein, and on our acknowledgement, notwithstanding any variance in terms and conditions set forth on buyer's order form.

Customer's Own Material (COM)

Nuans Design will gladly accept orders using the customer's own material (COM). We strive to produce the same high quality workmanship whether you select our graded-in materials or use COM. Please be advised that if materials are purchased elsewhere, the customer is fully responsible for the condition of those goods. All COM fabric must be 54-55" wide. We recommend that customers carefully inspect all fabric, trim, and other materials prior to delivering those goods to NUANS. Please confirm with us, prior to purchase, the amount of yardage required based upon the requested product.

Yardage requirement information is listed in product pages for most of the products. We will need to know the fabric repeat (both vertical and horizontal) and the fabric width. In addition, to protect both of us from unforeseen circumstances, we may request additional yardage as insurance, as receiving more materials after the project has begun production is often not possible. We request that all fabric be delivered to us properly rolled on fabric tubes. We do not recommend folding decorator fabric in any way. Improper methods of fabric storage may result in permanent creases in customer goods. Folded or improperly rolled fabric may require extensive pressing and we will not guarantee the removal of creases or wrinkles. We will do our absolute best to work around flaws and imperfections. We reserve the right to refuse goods that are heavily flawed. Upon receipt of all COM goods, we assume you have carefully inspected them.

Please be advised that we are not in any way responsible for problems such as: Yardage shortage - Dye lot variation - Poor drape ability - Flaws and imperfections including tears, pulls or holes - Dirt spots, stains, or fading - Pattern drift or misalignment - Creases or wrinkles due to improper storage - Any undesirable outcome due to fabric imperfection. Nuans does not guarantee the performance of any fabric, material, or article purchased by the client for use in said work agreement.

COM Shipping Instruction

We have several manufacturing facilities in countries around the world. Each country has its own customs rules and regulations. In order to ensure timely and smooth delivery of our customers' materials to the factories, we strongly recommend that customers ship their materials to our New Jersey warehouse. We will immediately forward those materials to the factories. Shipping expenses will be added to customers' invoices. However, thanks to our large volume of shipments to the factories, we will be able to ship customers' materials at a much lower cost. In most cases we cover customs duties, tariffs and similar experiences. We don't reflect those expenses to our customers.

Customizations & Private Label Manufacturing

Nuans is equipped to accept customizations. Even manufacturing your own designs is accepted with minimum order quantity requirements. Customized requests, special wood stain finishes, and special metal powder coatings are possible for many items upon request. Please consult our office with specs and details. Once we determine the applicability of your special requirements, a price quotation will be provided.

Lead Times

TOOU and NUANS collections are generally sold from inventory. Almost all items offered from these collections are in stock in the USA and can be shipped immediately. For backordered items, orders larger than what we have in stock, or items which are not in our stock program; please contact our office. NUANS customized order lead time is 10-12 weeks from the date order has been processed.

B&T is mostly made to order. B&T lead-time is 10-12 weeks from the date the order has been processed.

Prostoria is also made to order. Prostoria's standard lead time is 10-12 weeks from the date the order has been processed. Quicker lead times are available via airfreight with 20% markup.

True Design is also made to order. True Design's standard lead time is 14-16 weeks from the date the order has been processed.

Order Changes

Requests for changes to orders must be submitted in writing and are subject to approval and applicable cost.

Parts

Orders for parts must be submitted with a courier account number. Orders received without this information will ship COD.

Shipping

Nuans offers optional shipping and handling. Shipping and delivery is via common carrier. Shipping and handling charges are pre-calculated and prepaid by Nuans, then included in the original invoice at the time of shipment. This optional guaranteed shipping and handling enables the purchaser to pre-determine shipping and handling charges when ordering and provides the purchaser with a single invoice for both Nuans products and shipping and handling charges.

General shipping and handling charges are for curbside delivery only and do not include inside delivery, unpacking, removal of cartons, or installation. A request for call prior to delivery is an additional \$25. Additional charges will be determined on a per shipment basis. Should Nuans incur additional charges after billing due to delivery issues such as non-dock, re-delivery, or other issues, the customer may be liable for those additional charges. Please indicate special delivery instructions or issues with your order.

Contact Nuans for product, freight and creating information for shipments outside the Continental US. Orders are shipped FOB Avenel, New Jersey. Freight is prepaid by Nuans and allowed to one destination. Title of goods or changes when merchandise leaves Nuans' dock, and any subsequent freight damage and all freight claims are the responsibility of the purchaser or consignee to report to the carrier promptly upon receipt and to settle any issues or claims directly with the carrier.

Storage

If the customer will not accept delivery in accordance with Nuans' order confirmation when goods are ready to ship, Nuans reserves the right to transfer goods to storage at customer's risk and expense and deem such transfer as delivery for all purposes including invoicing and payment.

Additional Notes on Pricing

The net price will be increased by 5% if two different fabrics are used for upholstery on the same product.

The power unit or cable hole can be added to any B&T tabletop. The tabletop cutout price is net \$100.

Prostoria's minimum order amount for airfreight orders is \$1,500. 10% domestic shipping charge for Prostoria orders \$1500+
